All cards come as a 310gsm semigloss artboard. They have a varnish added as a standard process to further protect the surface. Celloglaze coating (laminating) is also available as a Gloss or Matt finish.

Environmentally friendly

All of our card stock is sourced from sustainable plantation wood from suppliers who practise sustainable management of forests in line with strict international standards. Pulp used in the manufacture of our Artboard is Elemental Chlorine Free (ECF). Stock used complies with ISO 140001 environmental systems and practices.

Send in your own artwork or have some designed for you
